

# SportsTrak 2200

The professional school sports management system

Totally  
re-written for  
SportsTrak's  
21st Year

## SportsTrak manages...

- Athletics
- Swimming
- Cross-country
- Trials
- Heats and finals
- Inter-house carnivals
- Inter-school carnivals
- Age based
- Year based
- Form based
- Standards Scoring

For all versions of Windows  
including Win 8

## For your own carnivals...

- All results on time
- Stress free carnival scoring
- Efficient time and resource management
- Accurate records
- User friendly operation
- Comprehensive built in help

## For inter-school carnivals...

- Run your own carnival, then...
- Use those results to move competitors into the inter-school squad, edit the squad...
- Create an export file of competitors that can be imported into the inter-school SportsTrak

**Version 2200** - a major rebuild of SportsTrak, fully compatible with SportsTrak 2100, taking in many of the suggestions of our users, with new ease of use and more features.

## SportsTrak features...

- Simplified setup - wizards take you through all carnival setup and running
- Flat menu structures make it easy to navigate
- All reports offer Acrobat Reader, HTML, or text output options
- Archive feature allows whole carnivals to be saved or retrieved
- Optional password protection
- Network compatible

...plus many other functional and cosmetic improvements:

introduction of Low Age in an Open event; in-built help; web help; improved wizards; import/export from Excel: standards, scoring system, students; import/export with Hytek's Meet Manager...

SportsTrak 2200 is the result of our listening and responding to Australian sport coordinators and associations since the original SportsTrak in 1992.
